

Fibertech Canada's Refurbished Scope Program

- All scopes are tested to ensure that they are in excellent condition and meet the specifications of the Original Equipment Manufacturer
- All scopes come with a 12 month guarantee against defects on parts and workmanship
- All scopes are sent to the hospital or clinic for a 5 day trial. During this time the scope can be returned for full credit if the user(s) are not 100 percent satisfied with the scope
- FiberTech Canada guarantees that we can do 100 percent of the repairs required to any scope sold under this program
- Loaners are available if the scope requires service
- Reference of accounts that have chosen this program are available
